*There is nothing I can do
to heal your broken heart,

*Angels may have halos and wings
but my angels come with
washcloths and ice chips.
Thank you for all that you do for me.*

miscarriage of your baby.*

Making A Difference
One Card at a Time

Kathy Boston, RN, was frustrated that she could not find cards for her patients and friends that said “just the right thing” during their difficult time. A simple get-well card would not do, so she founded Kathy’s Care Cards, a line of cards for people experiencing life altering events. Since its conception Kathy’s Care Cards has partnered with health organizations and expanded its product line to promote health awareness.
